

Drawing The Treble Clef

Exercise 1. Practice tracing the treble clefs on the staves below.

The image contains six horizontal musical staves. Each staff is composed of five lines. The first staff has a solid black treble clef on the left side. The remaining five staves each have a solid black treble clef on the left side and six faded, light gray treble clefs spaced evenly across the staff for tracing practice. Each staff ends with a double bar line on the right.

Exercise 2. Practice drawing the treble clefs on the staves below.
